Vishwas Nagar, Banjari, Mhow

“Dist – Indore (M.P.)”

OBJECTIVE

To leverage my technical skills in AutoCAD, Creo, SolidWorks, and ANSYS to contribute to innovative and challenging projects in a fast-paced organization. Seeking a position as a Mechanical Engineer where I can utilize my design expertise and result-oriented approach to deliver high-performance solutions.

SKILLS

Technical Skills	AutoCAD, Creo, SolidWorks, ANSYS, Advanced Excel
Soft Skills	Good Communication, Soft Spoken, Organization Skills, Good Leadership

COMPUTER SKILLS

DCAA (DIPLOMA IN COMPUTER APPLICATION AND ACCOUNTING)

From Rajeev Gandhi Computer Sakshatra Mission.

EDUCATION

Currently pursuing Diploma in Mechanical Engineering, From Vikrant University Gwalior.	Expected 2024
ITI (Fitter) Govt. ITI Manpur, Indore (NCVT)	2021 – 2023
10 th Passed M.P. Board Bhopal.	2021
PROFESSIONAL DIPLOMA TECH CLUSTER DESIGN WALA Indore.	2024

EXPERIENCE

Fresher.

PROJECTS

AutoCAD Projects:

- Nut Bolt Design: Detailed the design and insertion process of nuts and bolts in AutoCAD, focusing on precise alignment and integration.

Creo Projects:

- Flange Coupling: Worked on designing flanges used to connect shafts, allowing for torque transmission and accommodating misalignment.

SolidWorks Projects:

- Robotic Arm: Modelled and designed a robotic arm for various industrial applications, showcasing expertise in mechanical movements and automation.

Ansys Analysis:

- Heatsink Analysis: Performed thermal management analysis to enhance the cooling efficiency of electronic devices.

EXTRA-CURRICULAR ACTIVITIES

- Volunteer, Community Service Program**
Contributed to local community projects, including organizing events and managing logistics to support educational initiatives.
- Captain, College Football Team**
Led the team to regional championships, demonstrating leadership, teamwork, and strategic planning.
